

# New Regional Sewer Connection Fees

On October 1, 2006, the Clean Water Coalition will implement new regional sewer connection fees in order to fund the Systems Conveyance and Operations Program (SCOP) project. The SCOP project will help improve our community's water quality through construction of a 17-mile pipeline that will carry high quality treated wastewater deep into Lake Mead.

The SCOP project will be funded through a combination of connection fees and user charges. All regional wastewater dischargers will implement these fees, including the city of Las Vegas, the city of Henderson, the city of North Las Vegas, and the Clark County Water Reclamation District. Regional sewer connection fees will go into effect October 1, 2006; therefore all building permits issued by the city of Las Vegas as of October 1 will be subject to assessment of the Clean Water Coalition connection fees. Please refer to the chart on the reverse side for a partial listing of fees.

For further information about the Clean Water Coalition and the SCOP project, visit the [www.cleanwatercoalition.com](http://www.cleanwatercoalition.com) Web site or call (702) 319-4433. Or contact the city of Las Vegas Department of Public Works (702) 229-6276
